BASECOAT  
NEEDS

# BASECOAT WATERBORNE

DYNACOAT BASECOAT WATERBORNE IS PART OF A COMPLETE VEHICLE REFINISHING SOLUTION THAT GIVES YOU OPTIMAL RESULTS AND HONEST, TRUSTED VALUE. DEVELOPED TO COVER ALL YOUR DAY-TO-DAY BASECOAT REQUIREMENTS, IT MAKES A GREAT COLOR FOUNDATION EASY TO ACHIEVE.

And with the backing of AkzoNobel's global technological leadership and world-leading research and development, it gives you the color confidence and precision you need.

Ready to use, simple to apply, and with impressive hiding power, Dynacoat Basecoat Waterborne gives consistently satisfying outcomes. Precise matching is assured by an extensive color database. This versatile VOC-compliant basecoat's efficient processes offer time and material savings in everything from spot repairs to full resprays.

#### **READY-TO-USE SIMPLICITY**

Basecoat Waterborne can be supplied with toners already mixed, or you can simply blend the right combination of toners using the Dynacoat Mixing Machine. Time is saved and the possibility of mixing errors is minimized.

Application is quick, easy and dependable, with minimal training, and painters soon become very confident in using this basecoat day after day. Thanks to strong hiding power, it covers repair areas rapidly, smoothly and with lower paint consumption.

#### **INVISIBLE REPAIRS**

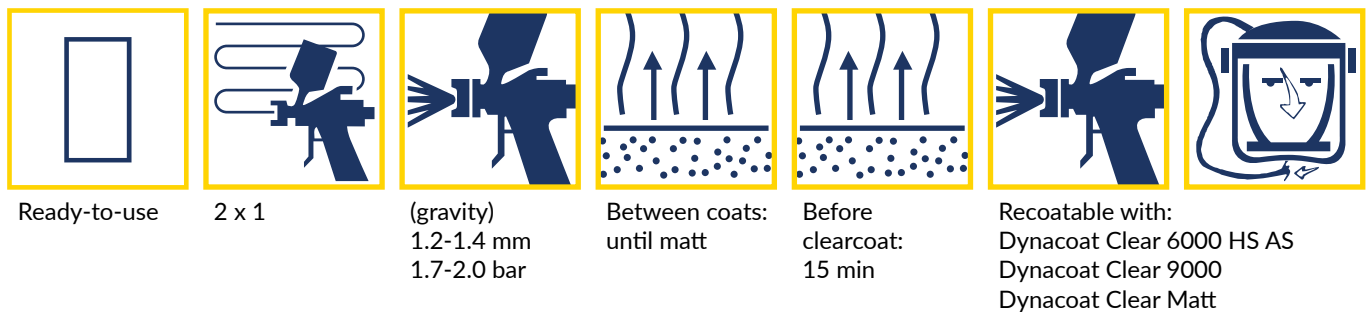

More than 45,000 color options are currently available, and the database is constantly being updated with new colors and variants. Use of AkzoNobel digital or manual color tools ensures the right choice for a perfect match every time.

#### **MATERIAL SAVINGS**

Powerful coverage means less paint is needed. Easy processes assure consistent high-quality results without reworks. Waste is further reduced by using Dynacoat Additive Long Potlife. This gives ready-mixed colors a useful life of up to 3 months.
