

Air Deck

[Representative image of product]

Product Description

The AirDeck™ easily connects to several Little Giant products, including the Select Step™. The AirDeck features a multi-use tray for tools and materials and a safety handrail for extra stability. With the AirDeck, you can use the full recommended height of your ladder in comfort and safety. The AirDeck's utility tray includes slots for power tools, screwdrivers, and other tools; and fitted recesses for all sizes of paint containers (square gallon, round gallon, and round quart). The AirDeck's work tray is rated to hold up to 6.8kg of tools and materials.

Features

- Multi-use tool tray for use with Little Giant SelectStep Ladder
- Slots for all paint can sizes, or power tools
- Doubles as an additional handrail
