Instruction for Use

Cleaning of metal
surfaces

- Rub the surface thoroughly with clean cloths soaked with Solvent Cleaning 98068 and wipe off with clean dry cloths.
- Do not allow the surface to dry, contamination can be spread.
- The degreased surface should not be touched to avoid contamination prior to paint application

Cleaning of spray
equipment

- Remove paint residues with a brush, do not immerse spray guns in Solvent Cleaning 98068 as this may effect non-metallic parts

Cleaning of
brushes

- Immerse the brushes in a tray with Cleaning Solvent 98068. After some minutes the paint can be removed from the brush.
- The brushes should not be left in the tray too long, as this may influence the elasticity of the hairs

Note

Solvent Cleaning 98068 does not affect usual metals such as iron, steel, aluminium and magnesium alloys, copper, zinc etc.

Important : Do not use on acrylic windows
